DETAILED ACTION

Allowable Subject Matter

1. Claims 44-45, 47-48, 56-57, 59-60 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter:

Regarding claims 44-45, 47-48, 56-57, 59-60, the prior art of record, alone or in combination, fails to disclose or fairly suggest the method as variously claimed, particularly comprising: creating a metric for the carousel schedule, wherein to create the metric, the processing system determines an interval difference for each instance of each module of the plurality of modules, applies a function to the interval difference to determine a result for each instance of each module, adds the result for each instance of each module to a sum, the sum corresponding to the metric, adds a penalty term to the sum in response to an actual interval of any instance of any of the modules equaling one, and adds a penalty term to the sum in response to an actual interval of any instance of any of the modules equaling negative one; and outputting the metric, the metric for use in evaluating the carousel schedule.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
